Academic Excellence & Variety of Courses

KU ISC Edge offers more than 120 high-standard courses that cover a wide range of subjects from Business to Science. 60 International faculty members from various prestigious universities provide students with quality education and research opportunities.

Internship Opportunities

KU ISC Internship Program offers students work experience opportunities at various Korean companies or institutions, such as National Assembly of South Korea, CJ, EBS and Lotte. This program enables students not only to earn academic credits and gain practical experience in a real work environment, but also to build an international social network.

Cultural Activities & Buddy Assistance Program

Every week, all KU ISC students can participate in weekly cultural immersion programs, such as K-Pop dancing, Korean cooking, and field trips to various landmarks in Korea. In addition, KU students designated as “buddies” will help KU ISC students to make the most of their experience in Korea and to fully enjoy the culture and traditions of this beautiful country.
